

## **BLUE CHRISTMAS**

*By: Mel Gibson*

*(Words & music by Hayes/Johnson)*

I'll have a blue Christmas without you  
I'll be so blue just thinking about you  
Decorations of red, on a green Christmas tree  
Won't be the same dear, if you're not here with me

And when those blue snowflakes start falling  
That's when those blue memories start calling  
You'll be doin' all right, with your Christmas of white  
But I'll have a blue, blue blue blue Christmas

You'll be doin' all right, with your Christmas of white  
But I'll have a blue, blue blue blue Christmas
