

## **I REFUSE TO GET THE BLUES**

*By: Mel Gibson*

*Written by: T. Dennis, T. J. Johnson*

If you think that I'll be cryin', well you're wrong  
I won't be listening to no love songs  
If I see you photograph, I'll do my best to laugh  
'Cuz I refuse to get the blues

If I feel a teardrop in my eye  
I'll stare straight at the sun until it's dry  
And if I get the urge to call, I'll throw my phone against the wall  
'Cuz I refuse to get the blues

I refuse to get the blues  
I won't allow, feelin' down  
I'm gonna be a happy man, and I'm sending you the news  
'Cuz I refuse to get the blues....

If you walk in, with a new love on your arm  
I won't get all choked up here in this bar  
I may have a drink or two, but it's not because of you  
'Cuz I refuse to get the blues

I refuse to get the blues  
I won't allow, feelin' down  
I'm gonna be a happy man, and I'm sending you the news  
'Cuz I refuse to get the blues...  
Yes I refuse to get the blues.....
