

If I Were You

The sandman comes to my house late each night
But it's way in the morning before he turns out my light
It's times like this my darlin' I can see
If I were you I'd know that I love me

The great snowman I've been called by all
But it looks like this time I'm gonna fall
It's times like this my darlin' I can see
If I were you I'd know that I love me

Wind and rain and storm closin' in on me
I've walked the streets alone with my self sympathy
Can you hear me saying hopefully
Oh if I were you I'd know that I love me....

Wind and rain and snow closin' in on me
I've walked the streets alone with my self sympathy
Can you hear me saying hopefully
If I were you I'd know that I love me...
Oh if I were you I'd know that I love me...
If I were you I'd know that I love me....
