

I THINK ABOUT IT ANYWAY

By: Mel Gibson

I thank God every day for his blessings
I praise His holy precious name
For another day he's granted me to walk upon this earth
I praise His holy precious name

Now I seek the face of Jesus for forgiveness of my sin
Almost every day
But it seems the same ol' sin starts comin' back again
At the start of each and every day

And I think about it, though I know I shouldn't think about it
But I went and thought it anyway
And I thought about it though I know I shouldn't think about it
But I went and thought it anyway
And I didn't wanna do it and I knew I shouldn't do it
But I went and did it anyway
And now I'm asking for forgiveness, yes I'm prayin' for forgiveness
Each and every day

Now I know I'm not the only one in this boat
The same old sins were around when Paul wrote
The book of Romans chapter 7, verse 18 through 25
It's a common problem if you are alive

And I think about it though I know I shouldn't think about it
But I went and thought it anyway
And I thought about it though I know I shouldn't think about it
But I went and thought it anyway
And I didn't wanna do it and I knew I shouldn't do it
But I went and did it anyway
And now I'm asking for forgiveness, yes I'm prayin' for forgiveness
Each and every day

I thank God for the answers to life's questions
You can find them in His awesome book
If you've got a big ol' problem and you're not sure where to look
You can find the answer in His holy book

And I think about it though I know I shouldn't think about it
But I went and thought it anyway
And I thought about it though I know I shouldn't think about it
But I went and thought about it anyway
And I didn't wanna do it and I knew I shouldn't do it
But I went and did it anyway
And now I'm asking for forgiveness
Receiving his forgiveness, each and every day...
