AM I READY

By: Mel Gibson
(Words & music by S. Tepper and R. C. Bennett)

Am I ready, can my heart be true
Am I ready, to fall in love with you

One love, one girl, one dream shared by two
Am I ready, to fall in love with you

I have touched you lips and now I know
I would be a fool to let you go

Should I, could I, how I wish I knew
Am I ready, to fall in love with you

Should I, could I, how I wish I knew
Am I ready, to fall in love with you
Fall in love...with...you
