

IT'S A MATTER OF TIME

By: Mel Gibson

(Words & music by Clive Westlake)

It's a matter of time before I go back there
A matter of time before I go home

I have been away from her now for a long time
And I've lived a life I thought that it should be
Well it's a long, long way from now to maybe sometime
And the waitin' round is really killin' me

It's a matter of time before I go back there
A matter of time oh Lord, before I go home
It's a long way I know and the goin' ain't easy
She'll see me again, it's a matter of time

I think I'll take a train right early in the mornin'
Just to see how far I get along the way
But the trains don't run too often, oh just sometimes
So I guess I'd better wait another day

It's a matter of time before I go back there
A matter of time Lord, before I go home
It's a long way I know and the goin' ain't easy
She'll see me again, it's just a matter of time
She'll see me I know, it's a matter of time
